Beebe Bridge

For All Outgoing 6th & 7th Graders

Kick off your summer with Young Life at the Beebe Bridge Campgrounds on the Colombia River! Instant summer for all outgoing 6th & 7th graders! We're going to have an awesome time hanging out in the sun on tournament wakeboard boats or just sun tanning on the beach. This spot has the best wakeboarding, wake skating, skiing, tubing and any water sports in the state of Washington! This is the perfect time to learn to wakeboard or land your first new trick of the summer! Do all kinds of activities or just hang out with your friends, play volleyball, ultimate Frisbee, basketball, eat GREAT food and have tons of Young Life fun. We'll even spend time at slide waters at Lake Chelan. Don't miss this great trip!
