# “The Ranch”

**(Formerly known as Wildhorse Canyon)**

**For All Out  
Going  
8th Graders**

Located in the high desert of Central Oregon, you're sure to get plenty of hot sunny weather. Ride one of three zip lines that land in the lake! Hike a peak or fly off the blob!! Pull a sick off-axis corkscrew from the high dive into the pool. The sports complex is big enough to park a 747 plane in; and inside there's a skate park with foam pit, multiple climbing walls, multiple basketball courts, volleyball courts, game tables, and weight equipment. With a huge pool, lake, lush green playgrounds for soccer, baseball or Frisbee golf and the indoor sports complex, there's tons to do. They also have a great ice cream/coffee shop and you'll have plenty of time for hanging out with friends—plus all the young life fun you can handle! Space is limited so get signed up for this trip right away!!!
